

Arkansas Chiropractic Society Presents:

Dr. Brian Jensen

Silent Obstructions to Optimal Performance

February 26, 2012
North Little Rock, Arkansas

About The Instructor and Course

INSTRUCTOR: Dr. Brian Jensen graduated from Palmer College of Chiropractic. He is currently the President of DMX of Virginia and presents chiropractic continuing education seminars in the United States, Canada, Japan, South Africa and Mexico. He has also written numerous articles that have been published in Dynamic Chiropractic, Success Express and others.

THIS COURSE: helps the doctor of chiropractic to identify obstructions to obtaining great results. He will discuss the components of optimal response to care, including the over aroused nervous system and biomechanical dysfunction in the absence of symptoms. Silent obstructions to optimal performance looks at the asymptomatic contributing physical factors that limit your patient's response to care. Identifying these silent contributors can ensure optimal treatment results.
