February 25, 2012
North Little Rock, Arkansas
Approved by A.C.B.N.

About The Instructor and Course

INSTRUCTOR: Dr. Dan Murphy is on the post-graduate faculty of several chiropractic colleges. He has taught more than 1,250 post-graduate continuing education seminars in the United States and around the world. He graduated magna cum laude from Western States Chiropractic College. He has written over 68 quarterly columns in the American Journal of Clinical Chiropractic and is a contributing author in several books on motor vehicle collision injuries and pediatric chiropractic. Dr. Murphy has won numerous awards, with the latest being presented by the International Chiropractic Association for "Chiropractor of the Year" in 2009-2010. He is an entertaining, much requested speaker that we are sure you will enjoy hearing.

THIS COURSE: Dr. Murphy will review the basic chiropractic neurological model. He will discuss the relationship between omega-6 and omega-3 and review recent articles relating to omega-3 fatty acid and anti-inflammatory effect, cardiovascular function and brain function. There will be instruction on excitotoxins and neurodegenerative diseases and which foods contain excitotoxins. Free radicals, antioxidants and refined carbohydrates will also be discussed.
