

## The Arkansas Chiropractic Society Presents: July 22, 2017

*Sports Injury Treatment on the Field and Off/Performing  
Pre-Participation Physicals/Connecting With the School  
Systems  
Fayetteville, Arkansas*

### About The Instructor and Course

**INSTRUCTOR:** Dr. Kevin Bradley is an accomplished Chiropractic Physician with 23 years of experience. He is currently licensed in Oklahoma as a Chiropractic Physician (D.C.) and as a Certified Chiropractic Sports Physician (CCSP). He is one of only 12 Chiropractic Physicians in Oklahoma with formal training and board certification through The American Chiropractic Board of Sports Physicians as a specialist in sports medicine and recognized by The Oklahoma Board of Chiropractic Examiners, in their specialty registry, as a specialist in the conservative management of sports injuries and physical fitness. Dr. Bradley serves as an independent consultant and provider of Health, Safety and Environmental in-service classes for a multitude of public school districts and companies in eastern Oklahoma. He has experience as an Adjunct Professor of Clinical Sciences for Logan University in Chesterfield, Missouri.

**THIS COURSE:** Dr. Bradley will share his expertise and his knowledge in this exciting seminar. You will gain insight to a simple methodology to incorporate pre-participation sports physicals into your practice. He will discuss closed head injury/concussion management, extreme heat safety and OSSAA compliance. We will also cover emergency action plans and advise on the reduction of general liability issues in athletics and extra-curricular activities.
