### Presents: Integrating Rehabilitation Into Your Chiropractic Practice

April 22, 2018

Fayetteville, Arkansas

#### About The Instructor and Course

**INSTRUCTOR: Dr. Mitchell Green** is graduate of New York Chiropractic College and a post graduate speaker for NCMIC speakers bureau. He is the director of the Dance Injury and Rehabilitation Clinic for the Manhattan Movement and Arts Center in New York, New York. He is on the post graduate faculty of New York Chiropractic College. His articles have been published in the Journal of the North American Rehab. Specialist and DC Highlights Magazine.

**THIS COURSE:** will discuss integrating the principles of rehabilitation into the chiropractic clinical reality. We will be introducing and practicing assessments that lead to corrective exercise prescriptions and strategies to reduce pain and improve function. We will cover specific lower and upper body assessments to guide treatment to assist patients in getting out of pain. We will also be learning to perform benchmark mobility and stability screening tests before transitioning to self care.
