

Arkansas Chiropractic Society Presents:

Vitality: Management of Common Clinical Syndromes

By: Dr. Dan Murphy

April 10 & 11, 2021

North Little Rock, Arkansas

About The Instructor and Course

INSTRUCTOR: Dr. Dan Murphy is on the post-graduate faculty of several chiropractic colleges. He has taught more than 1,250 post-graduate continuing education seminars in the United States and around the world. He graduated magna cum laude from Western States Chiropractic College. He has written over 68 quarterly columns in the American Journal of Clinical Chiropractic and is a contributing author in several books on motor vehicle collision injuries and pediatric chiropractic. Dr. Murphy has won numerous awards, including being presented by the International Chiropractic Association for "Chiropractor of the Year" in 2009-2010. He is an entertaining, much requested speaker that we are sure you will enjoy hearing.

THIS COURSE: Transform the face of America's healthcare starting with your patients. Research expert and Professor, Dr. Dan Murphy DC, DABCO offers the highest quality of learning courses validated by scientific research. In this course, Dr. Murphy will educate on structure and function throughout the nervous system and the entire body for systemic wellness; including but limited to ATP, mitochondria, laser therapy, brain function, low back pain, blood flow and state-of-the art technologies that are tailor-made for expert chiropractic care. The knowledge and skills you will learn in this course will change your life, your practice, and your patient's lives when you return to the office!
