

Arkansas Chiropractic Society Presents:

Dr. David Seaman

The Autonomic Nervous System and How It Is Influenced by Chiropractic and Lifestyle

April 10 & 11, 2021

North Little Rock, Arkansas

About The Instructor and Course

INSTRUCTOR: Dr. David Seaman is a graduate of New York Chiropractic College. The author of numerous books, articles and periodicals, Dr. Seaman is a much sought after post graduate speaker, lecturing over thirty weekends per year. He is currently a Professor at Palmer College of Chiropractic in Florida where he teaches clinical nutrition, neuroscience and complicated case presentations and also a professor, Department of Clinical Sciences at National University of Health Sciences. In 2006, he received the distinguished award of American Chiropractic Association's Academician of the year. He is also a columnist for "Dynamic Chiropractic", "The American Chiropractor", and the "Nutritional Wellness" periodicals as well the author of a book available on his website or at your favorite bookstore. Dr. Seaman has joined with Dr. John Rosa to write a chapter in a new book by the author of "Chicken Soup for the Soul", Jack Canfield, concerning the national opioid crisis. The name of the book is "Success Stories". A&E and Bravo aired an interview with all three doctors early in 2019.

THIS COURSE: will teach you about the autonomic nervous system and how it is influenced by chiropractic and lifestyle. We will discuss how manipulation influences autonomic function. We will cover the hypertense state and how medications impact the ANS and hypertension. Practical information to add to your practice.
